

Full Day & 6-Hour

Today's busy lives often require full-day childcare. At St. David's Center, we work with parents and families to provide a safe and nurturing environment where children develop lasting relationships.

In addition to an enriching early childhood education that encompasses the Morning Preschool option, a full day at St. David's Center includes additional learning opportunities, nutritious snacks, lunchtime, and a quiet time for rest or naps.

Hours

Full Day: 7 a.m. – 6 p.m.

6-Hour: 8:45 a.m. – 2:45 p.m.

Snacks

St. David's Center provides mid-morning and mid-afternoon snacks consisting of nutritious, age-appropriate foods like fruits, vegetables, cereals, and milk.

Lunch

Children in 6-hour and full-day care bring a lunch from home. Milk is provided.

Food allergies are taken very seriously by our staff.

If your child has food allergies, please submit paperwork signed by your physician prior to your child's start date. All allergies will be posted in the classroom so teachers and other parents are aware of them, and certain food items may not be allowed in your child's classroom to respect the health and safety of all children.

Naps

Children in extended day childcare will have a rest period. A favorite blankie or lovey from home, as well as a parent-provided crib sheet, help to make naptime restful.
