

St. David's Center ECE Enrollment Process

Thank you for your interest in our Early Childhood Education Program at St. David's Center! Please use this guide to help you complete the enrollment process. If you have any questions, please contact the program specialist at 952-548-8798.

Applications will be available to all families beginning January 30. Our enrollment team will begin reviewing applications in February and March. During our enrollment process, our team may reach out to you to learn more about your child or schedule a visit.

We are committed to creating balanced classrooms that allow every child to be successful. Our enrollment decisions are based on many factors including time of application, space in the classroom, age, our commitment to lower child-teacher ratios, and the dynamics and level of need in each classroom.
